

Title:

Lockheed Martin Approval of Special Processes

Aerojet Rocketdyne
Quality Note

C02

Date

03/16/2016

The Supplier/Subtier Supplier performing special processes shall be approved by Lockheed Martin. Suppliers already approved can be viewed at <https://sqm.lmaeronautics.com/QCS001View.aspx>, and then select approved special process suppliers.

Notify Aerojet immediately if any special process Supplier/Subtier Supplier to be used is NOT on this list; submission for approval by Lockheed Martin is required before the Supplier/Subtier Supplier may be used.

This document is an integral part of the contract (purchase order) in which referenced.
Applicable Revision: The revision in effect at the time the purchase order **is** placed.
