

Title:

Supplier Documentation – Aerojet Prior Approval

Aerojet Quality Note**F09****Rev #****Date****0****6/2/10**

The seller shall submit all quality documentation and certifications relevant to the purchase order requirements to Aerojet for approval prior to shipment. The documentation/certification package submittal should be coordinated with the responsible Aerojet buyer. Aerojet reserves the right to perform in-process/final quality surveillance at the seller's facility when non-conformances occur with the product or the documentation/certification packages.

Rev	Date	Description of Change	Changed By
0	6/2/2010	Initial release	

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
