

### **Q239C: Non-Metallic Materials Acceptance Testing – Los Angeles**

This clause is only applicable to Purchase Orders (PO) with shipments destined for Canoga Park, CA, Chatsworth, CA and Stennis Space Center, MS. If included on a PO with shipments destined for another Aerojet Rocketdyne location, then the content of this clause may not be applicable. In that case, the seller shall contact the buyer to evaluate with the Quality team to determine if the clause can be removed from this PO.

Per Buyer specification RC5166, non-metallic material acceptance verification testing shall be performed by Buyer's Los Angeles laboratory.

Seller shall submit lab samples and goods prior to shipment, as defined by this contract, to the address specified below in an appropriate container/package labeled per specification requirements including the minimum information listed below:

Address:

Aerojet Rocketdyne Lurline Receiving Dock  
9001 Lurline Avenue  
Chatsworth, CA 91309

Minimum information:

1. Purchase Contract Number
2. Line Item Number
3. Batch/Lot Number
4. Specification Number with Revision Letter/Number
5. Applicable Manufacturer'

**Deliverable:**

Copy of the approved AR Engineering Lab Report should be added to the final data package.
